

CELA Spider DT24/25

	SPYDER DT22 SPYDER DT -24/25
--	-------------------------------------

Live load/Max pressure in travelling position kN/m2		4,3
Live load/Max pressure in working position kN/m2		2,5
Point load per outrigger plate, max. Kn		22
To be jacked up on ground slope max		15°
Gradeability, max.		10° /13°
Slope angle		26°
Travel speed slow km/h		0
Travel speed fast km/h		1,12
